# Mission & Value Statement

The Geneva Police Department will deliver effective and responsive law enforcement services to all persons within the City of Geneva in a fair and equitable manner, respecting the rights of all regardless of race, creed, religion, sexual orientation, color or origin.

We are committed to making sure that every citizen with whom we interact is treated with dignity, compassion, and a sense of professionalism.

As an integral part of the Geneva community, we are committed to communicating with those that we serve, and strive to maintain the trust and confidence of our citizens while working to improve the quality of life for the entire community.

## FROM THE CHIEF OF POLICE

Dear City Manager Gerling,

On behalf of the dedicated men and women of the Geneva Police Department, it is with great pride that I submit the 2020 Annual Report to you and the Geneva City Council. Many personnel hours are undertaken to complete this report and I hope you; the council and the Citizens of Geneva find it useful. I would also like to thank the Annual Report committee that consists of Lieutenant Matthew Valenti, Lieutenant Jeffrey Potter, Detective Matthew Colton, Officer John VanSavage and Officer Shannon Anderson for their time and effort in putting this together. In years past, we have published this report by the June/July/August time frame. In accordance with a resolution passed by Council, this report now has to be done and published within the first four months of the new year.

The 2020 year started off for the department as a normal year which quickly changed when COVID-19 struck the country in March and put a pause on many of the things we were all used to. The Police Department, along with your office and all other City Department Heads began working immediately to confront the changes that COVID-19 was bringing to the workplace. The Police Department began to take measures that were in line with the Governor's orders as they came out and took other measures locally beyond his executive orders. Traffic enforcement for minor traffic violations was stopped completely and we began only enforcing vehicle and traffic complaints and serious vehicle and traffic matters including motor vehicle accidents. Traffic enforcement remained this way for the department until the end of June. Businesses were shut down due to the pandemic so the department increased the amount of property checks we were doing in an effort to ensure businesses remained safe and secure during the shutdown. The impact of the pandemic effected the numbers of arrests, traffic tickets and other areas of our work for the 2020 year. We saw a decrease in the amount of DWI arrests due to the restaurant/bar businesses either being shut down completely or closing in the early evening hours. The Police Department worked directly with the Ontario County Office of Emergency Management and Ontario County Public Health as questions came up and the department had a need for additional PPE items. COVID-19 had an impact on the department's 2020 budget as we were purchasing large numbers of PPE items that we normally didn't have to prior to the pandemic.

I would like to thank all first responders including, fire, ems, hospital staff, nurses and doctors. Specifically, I would like to thank the men and women of the Geneva Police Department for their selfless dedication to service during these unknown times and being out there on the front lines during the pandemic day in and day out.

The OPIOID crisis continued into 2020 and the Geneva Police Department remained focused in this area. We remain confident that the daily work we are performing in the Narcotics unit and through investigations that we are making a difference and making Geneva a safer place. NARCAN is still being carried by all Geneva Police Department members to combat overdoses when we respond to them. Our Narcotics unit seized over \$167,000 in US Currency during drug investigations for the year. They also seized over 2 kilograms of cocaine (street value in excess of \$60,000) and over 20 pounds of Marihuana through investigations. The unit also seized 2 illegal guns from our streets making our streets safer for everyone.

The Geneva Police Department recorded 35,434 Calls for Service for the year which a 26.9% increase from the 2019 year. Calls for Service encompass a variety of occurrences including crimes against persons, crimes against property, family trouble/domestic violence calls, mental health crisis complaints, civil complaints, neighbor disputes, traffic stops, property checks, assist agency, special details and many others.

The Geneva Police Department used the Unified Crime Report (UCR) for reporting statistical data on crime in the City of Geneva. The UCR is broken down into Part 1 and Part 2 crimes. Part 1 crimes consist of two categories; violent crime and property crime. Part 1 crimes reported to the Geneva Police Department for 2020 totaled 209 which was a decrease of approximately 17.5%. Part 2 crimes consist of crimes not included in Part 1 and totaled 710 for the 2020 year which was a decrease of approximately 11.5% from 2019 in which we had 803 reported.

We have again made some changes to this year's annual report and included more information that what we previously have not included in years past. The Geneva Police Department remains committed to making Geneva a safer place to work, live and play through the critical work that we perform on a daily basis. I want to thank the men and women of the Geneva Police Department for their professionalism, dedication and service to the City of Geneva and all who we serve daily. I would also like to extend my thanks to our Geneva City Court staff, the Ontario County District Attorney's Office, clerical staff, parking enforcement officer and our school crossing guards for the work and dedication they all put into their respective positions to make the Geneva Police Department the professional, New York State accredited agency we are.

Respectfully submitted,

Michael J. Passalacqua  
Chief of Police

## UNIFORM FORCE

The uniform force is comprised of 21 officers, 1 Court Liaison Officer and 1 School Resource Officer who cover four different shifts, Geneva City Court, and the Geneva City Schools. They are supervised by 6 Sergeants who are overseen by one Lieutenant who reports to the Chief. They patrol 4.5 square miles and protect a population of 12,787 exclusive of the students of Hobart and William Smith Colleges and Cornell University.

The Uniform Force is the first responding officers handling calls that get called into 9-1-1 or come into the police station. Their response is to first, secure the scene and give aid and comfort to the injured. They handle simple complaints such as animal complaints, larcenies but also conduct the preliminary investigation for more serious crimes such as homicides, rapes, robberies, and assaults. They take a proactive approach to their patrol duties by looking out for suspicious activities, traffic offenses, and conducting property checks on residences, buildings, and businesses.

Due to COVID-19 the request for their presence at special functions decreased due to cancellations.

They have been called upon to provide traffic control and/or security at numerous Hobart and William Smith events along with events such as the American Legion Fireworks, FL Wine Festival, Memorial Day Parade, Latino Festival, Cruisin' Night, Musselman, Seneca 7 Race, Martin Luther King Jr. Parade, Fireman's Parade, Motorcycle Rides, Sons of Italy Festival, Mt. Olive Missionary Baptist Church Carnival, FLX Pride Festival, Halloween Parade, Boo and Brew Run, Knights of Columbus St. Patrick's Day Run, Cubby Chase Run, and numerous other races that run throughout the City. These events take planning and

require numerous man hours. The responsibilities of the Uniform Force include parking enforcement, traffic enforcement, prisoner escorts, court security, funeral escorts, investigations, and maintaining order at parades or public gatherings and community relations.

Members of the Uniform Force are also active in specialized units such as evidence technicians, evidence aids, instructors, accident reconstructionists, fire investigators, hostage negotiators, crisis intervention officer, field training officers, total station operators, and bicycle patrol.

## 2020 DETECTIVE BUREAU

The Detective Bureau is comprised of three Detectives, one is assigned to Major Crimes, one is assigned to Narcotics, and the third is assigned to the Family Services Unit. There is also one Police Officer who is assigned to Narcotics for training. All are supervised by one Lieutenant who reports to the Chief. The Detective Bureau handles a vast variety of investigations including narcotics activity, missing persons, and major crimes such as homicides, robberies, aggravated assaults, sexual assaults, and burglaries.

Detectives receive specialized training to assist their efforts. Criminal Investigations are time consuming and require extensive follow ups. Investigations dealing with possession or sale of narcotics can take months to years to develop enough information or evidence to make an arrest.

The Detective Bureau is divided into three divisions consisting of Criminal Investigations, Family Services Unit, and Drug Enforcement. Although these three divisions specialize in different areas, they often work closely together to share information and investigate crimes. They also assist the road division when needed or requested.

The Criminal Investigation Division (CID), handles major crimes usually at the felony level and/or those crimes that are complex and require numerous investigative hours. The Family Services Unit investigates crimes where the suspects, and in some cases, the victims are juveniles.

The Family Services Unit also handles those cases involving juveniles which are of the violation level and cannot be sent to Family Court. They are also the department's liaisons for the Ontario County Child Abuse Response Team and the Juvenile Justice Committee. They work closely with SRO's, Child Protective, Child Advocacy Center, Probation, Youth Court, and the PINS Program.

The Drug Enforcement Unit investigates cases which are associated with narcotics, gambling, firearms, and prostitution. Members of the DEU also assist in the investigation of violent crimes. They work closely with local law enforcement agencies from surrounding counties along with state and federal agencies.

Along with their investigative duties, members of the Detective Bureau, also serve in specialized units such as evidence technicians, evidence aids, instructors, and bicycle patrol.

During the year 2020 the Detective Bureau was assigned 895 cases, 851 have been closed, 43 of them by arrests. Many of the investigations in 2020 were longer term or required more time than in previous years due to the circumstances of the investigation.

The Detective Bureau is also tasked with receiving all evidence and property. During the year 2020, 1,369 items of evidence or property were received. Additionally, several hundred items of evidence or property were disposed of, returned to owners, or transferred to other agencies (DA's Officer, Crime Lab). The evidence or property that is not returned directly to the owner is auctioned off or forfeited to the Geneva Police Department or City of Geneva. Due to the DEU and their active enforcement, arrest and successful conviction, over \$167,000 in US Currency was taken in as seizure or forfeited for use in further narcotics enforcement. The DEU also seized over 2 kilograms of cocaine, over 20 lbs of marihuana, and 2 illegal guns through investigations.

The Detective Bureau also encourages its officers to take advantage of opportunities to educate and train the public about what we do and how we operate in an attempt to promote public support and involvement in the community. Members of the Detective Bureau have conducted presentations to community groups, colleges and high school students, and businesses ranging from bank robbery training, crime scene processing, fraud prevention, and workplace violence and safety.

Criminal investigation is an applied science that involves the study of facts, used to identify, locate and prove the guilt of an accused criminal. A complete criminal investigation can include searching, interviews, interrogations, evidence collection and preservation and various methods of investigation.

## 2019 & 2020 PART ONE UCR OFFENSE

### Part 1 Offenses 2019

### Part 1 Offenses 2020

- Robbery
- Larceny
- Aggravated Assault
- Murder
- Rape
- Motor Vehicle Theft
- Burglary

- Robbery
- Larceny
- Aggravated Assault
- Murder
- Rape
- Motor Vehicle Theft
- Burglary

The Uniform Crime Report (UCR) Program divides offenses into two groups, Part I and Part II crimes. Each month, participating law enforcement agencies submit information on the number of Part I offenses that become known to them; those offenses cleared by arrest or exceptional means; and the age, sex, and race of persons arrested for each of the offenses. Contributors provide only arrest data for Part II offenses.

The UCR Program collects data about Part I offenses in order to measure the level and scope of crimes occurring throughout the Nation. The program's founders chose these offenses because they are serious crimes, they occur with regularity in all areas of the country, and they are likely to be reported to the police.

## 2019 & 2020 LARCENY REPORT

### NYS PENAL LAW - 155.05 Larceny; defined

1. A person steals property and commits larceny when, with intent to deprive another of property or to appropriate the same to himself or to a third person, he wrongfully takes, obtains or withholds such property from an owner thereof.

2. Larceny includes a wrongful taking, obtaining or withholding of another's property, with the intent prescribed in subdivision one of this section, committed in any of the following ways:

(a) By conduct heretofore defined or known as common law larceny by trespassory taking, common law larceny by trick, embezzlement, or obtaining property by false pretenses;

(b) By acquiring lost property.

A person acquires lost property when he exercises control over property of another which he knows to have been lost or mislaid, or to have been delivered under a mistake as to the identity of the recipient or the nature or amount of the property, without taking reasonable measures to return such property to the owner;

## 2020 COMPUTER VOICE STRESS ANALYZER – CVSA

The Geneva Police Department currently has one officer who is trained and certified to operate the Computer Voice Stress Analyzer. Lt. Matthew Valenti, CLO Brian Choffin and Det. Steven Vine spent two rigorous weeks training on the instrument and the art of deception through the National Institute for Truth Verification. Lt. Valenti and CLO Choffin have been certified since 2009 and Det. Vine has been certified since 2015. All three officers must be recertified to operate the instrument every two years.

The Computer Voice Stress Analyzer, CVSA, is a tool utilized by members of the Geneva Police Department to detect deception when interviewing individuals suspected of committing crimes within the City as well as other municipalities. Suspects are asked if they will voluntarily submit to a computer voice stress test. If they agree to submit to the test, they are brought to a secured interview room where they are interviewed regarding the particular case. They are given a demonstration of the instrument and explained how it works.

A microphone that is attached to the instrument is then placed on the individual's shirt and calibrated to their voice. The operator then asks the suspect a set of predetermined questions and other questions that they feel are important based on the pre interview. During the interview the instrument deciphers the stress level of the test subject's voice. Once the test is completed the operator evaluates the patterns on each chart tested. Based upon the instruments findings it is then determined if further interview of the test subject is warranted.

During the year 2020, there were 4 subjects who voluntarily submitted to the voice stress test, for a Criminal Case.

## 2020 SCHOOL RESOURCE OFFICER REPORT

The Geneva Police Department maintained one School Resource Officer (SRO) during 2020. School Resource Officer Arroyo was assigned to the Geneva Central School District consisting of 5 buildings; West Street School, North Street School, Geneva High School, Geneva Middle School, & GCSD Office, mainly working out of the Geneva Middle & High Schools. All stats are from School Resource Officer Arroyo from 01/01/2020 - 12/31/2020.

The SRO made or assisted on 2 arrests in 2020 and assisted with information leading to numerous juvenile arrests in and out of school during the school year of 2020. There have been several assaults, sex abuse, or misconduct cases that were referred to the Family Services Unit from both the Geneva High School and the Geneva Middle School. A total of 255 Criminal Incident Reports & Supplemental Information's were created in 2020, a 30% decrease from 2019.

### Miscellaneous Stats:

Student Contacts	1325
Parent Contacts	81
School Personnel Assist	261
Superintendent Hearings	16

The SRO has responded to the North Street School, West Street School and the Geneva Central School District Office to assist with student and parent issues. The SRO attended all football and basketball games, Festival of Nations, as well as several other school events. The SRO is involved in several committees, from safety to student intervention. The SRO attended 7 different trainings in 2020. The SRO was able to conduct several stranger danger walkthroughs at the West Street School, North Street School, Geneva High & Middle Schools.

During the school year, there were several times the SRO taught in classrooms on topics relating to general law, drug awareness, and gang activity. Committee involvement continues to be important, the district safety committee, and T.A.C. Transportation Advisory Committee (involves transportation and safety).

## 2020 DARE

D.A.R.E. stands for Drug Abuse Resistance Education. It was started in the early 1980's in California and has spread across the country. Geneva is celebrating its 31<sup>st</sup> year of the D.A.R.E. program, which started in the 1989-1990 school year. There are two active D.A.R.E. Officers in the Geneva Police Department. They teach 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grades at North Street School, as well as St. Stephen's School over a 10-week period.

During the 2019-2020 school year, the Geneva D.A.R.E Officers taught over 200 students in the Geneva and St. Stephen's School Districts, ranging in age from 9 to 11. The Geneva D.A.R.E program is a partnership between the school district and the police department to teach safety, anti-bullying, and assist students with making healthy choices throughout their lives. The D.A.R.E. curriculum is a classroom presentation to elementary students by law enforcement officers in cooperation with a NYS certified teacher. The curriculum features both decision making and skill building models for effective ways to refuse drugs and make healthy decisions. Lessons include substance use and abuse, communication skills, peer pressure, bullying, and helping the community.

Students are expected to foster a positive relationship with the D.A.R.E. officer, participate in cooperative learning groups, participate in role-play activities, and develop questions to promote higher level thinking.

## 2020 SEX OFFENDER MANAGEMENT

Currently there are 7 Officers, an Administrative Aide, and 1 Sergeant assigned to the management of Sex Offenders residing within the City. Responsibilities of the officers include, monthly residence check, where officers stop and speak with each Sex Offender at their residence to confirm residency and investigations of alleged violations. Staff is also responsible for maintaining a 90-day verification log for all Level 3 Sex Offenders, and Sexual Predators, change of address updates as well as updated photos.

Investigations are conducted on all Sex Offenders who fail to notify this agency of a change of address as well as any complaints received from the public regarding a Sex Offender. Also being investigated are complaints or discovery of sex offenders utilizing social media and internet accounts that are not registered as required by corrections law.

Currently there are 64 NYS Registered Sex Offenders residing within the City of Geneva. NYS Sex Offender Registry divides Sex Offenders into 3 Levels: 1, 2, and 3. Currently residing within the City of Geneva there are:

- 11 Level 3's
- 32 Level 2's
- 21 Level 1's

Per NYS DCJS the Levels are defined as:

- Level 1 - low risk of repeat offense
- Level 2 - moderate risk of repeat offense
- Level 3 - high risk of repeat offense and a threat to public safety exists

During the year 2020 there were 4 investigations conducted regarding Sex Offenders who failed to notify their change of address, internet accounts etc. Two arrests were made for a Sex Offender failed to notify their change of address, the other investigations were closed with no arrest.

## LETTERS OF COMMENDATION

### Detective JD Winter

On December 18, 2020, Det. Winter was dispatched to a welfare check of a juvenile and if located return child to primary guardian. Det. Winter arrived at the residence on Humbert St, with a younger female walking towards a small camper trailer. The female was crying and telling Det. Winter that if she was made to go back to her father's house she would run away again. She stated that while she was living with her father, he had a new girlfriend and had left her and her brother alone in the house to fend for themselves for 6 months. The female also stated that her father is manipulative and would mentally abuse her. While speaking with the female, she was standing outside in approximately 25-degree weather in a sweat shirt and pajama pants. When asked about having a coat she stated that her father could not find it or any of her winter accessories. Upon talking with her inside the camper and speaking with her mother, Det. Winter believed it was best, due to the weather, to have the female stay there versus risking her run away from her father with inadequate clothing.

Det. Winter decided to go to Walmart and purchased a winter jacket, hat and gloves along with winter boots. Det. Winter returned to Humbert St and provided the items to the female. Det. Winter provided the female with his phone number in case she needed to get in touch with him.
